

Science

Our focus is the body and our senses this term. We will be naming different parts of the body and carrying out an investigations using our senses. We will be encouraging the children to ask questions and comment about what they observe.

Physical Education

Nightingales: Monday

Puffins: Thursday

Swans: Thursday

Please send your child to school in their PE kits on these days.

PE will be on the field this term and we will be working on mastering movements with control and co-ordination.

History

We will read the story 'Once there were giants' and talk about the changes as we have grown up and using appropriate vocabulary. We will also be celebrating our differences and learning that we are all good at different things.

RE

Our big question is *Why is the word God important to Christians?* We will be exploring our pupils' ideas about God and Christianity.

Literacy

Our Talk for Writing book this term is 'Funnybones'. Here is a link if you would like to listen to it at home .

https://www.youtube.com/watch?v=gweOq4OT-H0&ab_channel=GiveUsAStory%21

Will be learning the story and using it to write simple sentences. This forms the focus for extending our vocabulary. We will be looking at non-fiction books about the body and writing labels and captions.

Year1

Writing sentences using capital letters and full stops, and extending sentence using 'and'.

Reading

Year 1

Learning new graphemes that can be used when blending to read, and checking understand of what has been read.

Reception

Learning the letter sounds and blending them to make words and enjoy books being read to them and joining in with repeated phrases.
